## Shelter in Place Bart Warren

**“He who dwells in the shelter of the Most High will abide in the shadow of the Almighty” (Psalm 91:1).**

Due to the COVID-19 crisis, many Americans have been told to stay home. That means do not go to work, do not go to school, do not leave the house at all unless you have to. The number is only expected to increase. This is commonly referred to as the “Shelter in Place” directive. In our home state of Kentucky, our government officials are calling the plan “Healthy at Home.”

A few random thoughts on the spiritual nature of the shelter in place concept:

As you shelter in place, take the time to read passages like Psalm 91. The righteous know that God both protects and punishes. Our message to God should be that He is, **“My refuge and my fortress, my God, in whom I trust.”** Thus, included in this is that pain and plague are part of this world. God can be counted on to see us through, and ultimately to deliver us to perfection. Those who have washed their robes in the blood of the Lamb know that their destiny is to be sheltered in the presence of God (cf. Rev. 7:14-15).

It is not wise to tempt God with bravado or misguided claims of faith. Please do not use “faith in God” to rationalize your desire to continue to conduct life and “business as usual.” Of course, we know God has a plan and is in control (cf. Romans 8:28; 1 Corinthians 10:13; Matthew 6:34; 1 Peter 1:4; et. al.). However, God expects us to be wise in our faithfulness. Satan quoted Psalm 91:11-12 when he tempted Jesus in the wilderness (Matthew 4:6). But Jesus made it abundantly clear that one is not to tempt God. He didn’t throw Himself down from the Temple. It is one thing to trust God, it is something else to tempt Him.

Let us not forget that it was God Himself who invented and demanded the concept of quarantine. According to passages such as Leviticus 13 and 14, there were occasions when it was necessary to re-move people from the general population for the good of the others. They took pains to isolate those who were infected and contagious so that they would not infect others.

**"Notes in the Key of A"**

The last few weeks have been very surreal. They have been challenging. They have also been encouraging. I know as we battle this virus all across the world, the threat is real.

However, one thing I have also noticed, the Church, is strong. Thank you to our elders for providing us with the means to be able to livestream our services and Bible Study.

Thank you to you for your encouragement and tuning in to our streamed services. Keep doing great thing for the Kingdom!

I cannot wait to be in services with you again!

Have a great week for God!  
I love you,  
Wes

## *A Minute with Mac*

What a time to live in! Our world is on “hold” as we fight this horrible COVID-19 virus. I pray that all is well with you and your family. I long to see the day when we are all able to meet again here at the building and see one another and spend time with one another.

This morning we will continue with our FOCUS 2020 theme as we look at the what we do as the Church. We will look at the topic of evangelism. I pray that you can join us via our Facebook page at 10 a.m. for our livestream service. We will have a full worship service with all the acts of worship including singing, prayer, preaching of God’s Word, partaking of the Lord’s Supper and giving. Although we can’t physically meet in the building together, we can still worship together though the wonderful technology we have before us.

Later this afternoon, there will be a pre-recorded bible class on the book of 3 John uploaded to our Facebook page. Please take a look at it and study along with us through this very powerful one chapter book. Please leave any comments or questions that you may have and we will discuss them on during the next bible study. Also be on the look out for Wes’ weekly teen bible study also. You can also find it on his YouTube channel.

Please join us live each Wednesday night as Wes and I have our mid-week bible study on our Facebook page also. This will be live streamed and encourage you to comment and ask questions. Lord willing in two weeks we will be doing a live question and answer bible study. If you have questions that you would like us to answer, please text them to us over the next couple of weeks.

Please continue to pray for one another and check on one another. Continue to pray for our Eldership as they shepherd us through this difficult time! Love you all and stay safe!
