A Minute with Mac

I am glad to be back home after spending a few days in Memphis for the School of Preaching Lectures. Although I was not able to go on Saturday like I had intended (thanks to my Expedition giving up the ghost), I was able to leave out Monday morning. The quality of sermons that I was able to hear is beyond explanation and the fellowship that I was able to have with so many preachers that I have not seen in years was wonderful. I want to thank the Elders for allowing me to go so that I could get recharged and come back refreshed. If you are visiting with us, please know that you are our honored guest and please stick around for a few minutes after services so that we can get to know you better. If you have any questions about what is done or said in our worship service, please don't hesitate to ask.

This morning, we will jump back into our yearly theme of "Think Souls" as we look at Jesus and how He was not concerned with be Politically Correct, but rather how He wanted all to be in proper fellowship with the Father.

This evening, Lord willing, we will look at our plans going forward with our task of evangelizing the greater Greenhill community. We will look at how every single member can have a part in helping the Gospel be spread through out this community!

Wednesday evening, we will pick back up with our study in the book of Matthew as we continue to look at the most popular sermon ever preached, the sermon on the Mount. If I remember correctly we left off around Matthew 5:43. Please make plans to join us as we look at the life of Jesus. Remember that we have classes for all ages including a ladies class on Wednesday night.

It is going to be a great day! And I am so glad that we get to worship our God—together!
