***A Minute
with Mac***

We experienced a really good cold snap over the past few days, but warmer temperatures are on the way. Hopefully everything that has been planted early survived the cold will grow later this spring. We have several that have gone to Lads for the weekend and pray for their safe return. What a great day it is going to be and I am encouraged by your presence today! If you are visiting with us, please know that you are our honored guest and if you have any questions about what transpires this morning, please feel free to ask.

Today we will be taking a break from our theme of 2021—Into the Future. Although we do not celebrate Easter as a religious holiday, our minds are thinking about the resurrection of our Lord, Jesus. Therefore today we will look at “three days that changed the world.”

During the Bible Class time, in the auditorium we will continue our look at the book of Acts. Remember we are going to look at the majority of the book of Acts with our Theophilus glasses. Today we will continue with chapter 2 and will really look at several key components of this chapter. Remember teachers to make sure you get a count for daily Bible readers and for those who study for their lesson.

This evening we will begin a three lesson look at Satan. It is very important to know who he is and what he does and how we can defeat him. Our lesson this evening will focus on “Discovering our enemy!” Remember this is a live stream only meeting. You can watch the service via Facebook or YouTube. Lately Facebook has been giving us some problems, so if you experience any problems, you may switch over to YouTube by clicking the link on our Facebook page (thanks to Wes for providing it) or go to our website (look left) and click the YouTube link at the top of the page.
