**Getting back to the basics**

Here we are in the midst of the worse health outbreak in over a century. The entirety of the health profession is urging people to stay indoors and to put off gatherings of any kind. Sports of all kinds have been cancelled. Theatres have closed their doors. Malls look like ghost towns. And entertainment as a whole has ceased. What are we to do now? That is the question on many peoples mind today. What are people to do with all of this free time? Can I humbly make a few suggestions.

Let's get back to the Bible. While there is nothing to preoccupy our time, let's open up our Bibles and study God's Word. Think about when the Church was booming in the early 1900's. Why was it booming? Folks didn't have all these distractions that we have today and they spent their time in the Bible. In Jeremiah 6:16, God urged the people to look for the ways of old, but He knew they would not. ***"Thus says the LORD: Stand in the ways and see, And ask for the old paths, where the good way is, And walk in it; Then you will find rest for your souls. But they said, 'We will not walk in it.'*** Maybe we need to take advantage of this slow time and get back to studying our Bibles. You will be surprised what you've missed.

Let's get back to spending time in prayer. With the way life was just a month ago, it was hard to find time to talk with God though prayer. Paul urged the brethren in Thessalonica to pray. ***"Rejoice always, pray without ceasing, in everything give thanks; for this is the will of God in Christ Jesus for you,"*** 1 Thessalonians 5:17-19.

Let's get back to looking out for our neighbor. I have heard the statement many times that no one knows who lives in their town. I have heard older people state that they use to know everyone in their community, but now they don't. Why is that? Maybe, it's because life is too fast paced for us to meet and see about one another. ***"For all the law is fulfilled in one word, even in this: YOU SHALL LOVE YOUR NEIGHBOR AS YOURSELF."*** Galatians 5:14.

Let's get back to the basics. I think we will find true happiness there!

**"Notes in the Key of A"**

The last few weeks have been very surreal. They have been challenging. They have also been encouraging. I know as we battle this virus all across the world, the threat is real.

However, one thing I have also noticed, the Church, is strong. Thank you to our elders for providing us with the means to be able to livestream our services and Bible Study.

Thank you to you for your encouragement and tuning in to our streamed services. Keep doing great thing for the Kingdom!

I cannot wait to be in services with you again!

Have a great week for God!  
I love you,  
Wes
