Our Soulmate

1 Peter 1:8-9

Psychologist Neil Clark Warren incorporated over thirty-five years of research into one of the world's largest match-making websites: E-harmony.

The site is based on the belief that matching foundational values and characteristics of people will lead to lasting relationships. Thousands take the site's questionnaire every day. Thousands marry every week, after first connecting online.

We have a soulmate too: Jesus.

He is our compatible match. He shares our foundational values: loving God, and loving others with the same eagerness that we love ourselves.

The core traits Jesus has, we eagerly emulate: love, joy, peace, patience, kindness, goodness, faithfulness, and self-control.

Like any passionate love, we have invited Him into our heart. The thought of Him puts a lightness in our step, peace in our hearts, and a smile on our face. He is on our mind. We look forward to spending time with Him, praising Him, telling Him our stories, giving Him our ailments and our dilemmas to fix. We are eager for His comfort.

The Bible is Jesus' love letter, waiting for you to read it. Be sure to spend some time every day soaking up Jesus' words for you and feeling loved.
