**Summer Series:**

This week our Summer Series speaker will be our very own Brian Smith. Brian's topic will be What to do when I desire to grow. I hope you all can make it to hear this timely sermon on this very important topic. Make sure to bring a friend.

**Benefit Motorcycle Ride:**

There will be a benefit motorcycle ride for the North Alabama Christian Children's Home on Saturday, August 28, 2021 from 8:30 am to 1:30 pm. The cost is \$20.00 per bike. There will be a silent held at the Children's Home between 11:45 and 12:15. There will also be food for sale. Event T-shirts will be \$15.00. For more information see the flyer on the round table. Longshore Cycle Center is in charge of the event.

**Help Needed:**

We are in desperate need for men to work in the PowerPoint/Live Stream room. If you are interested in working upstairs, please let Mike DesRuisseaux know, There will be a meeting with those interested very soon to give those interested a "crash course" on the equipment. Right now we only have a very few who know how to operate the live Stream computer and would like to have a good rotation of men to use upstairs. Also be on the lookout within the next couple of weeks for new worklist sheets. These sheets will help Mike when filling out the worklist for the week!

***A Minute***  
***with Mac***

It has been another hot and humid week! It also has been wonderful to be able to get back to a somewhat regular routine. The kiddos are back in school and I am back at work! What a great week it has been. We are, however, mindful of those who are suffering from this virus. We pray for their health and for this horrible virus to be gone! I am grateful for our health and I am grateful that you are here this morning!

If you are visiting with us, please know that you are our honored guest and if you have any questions about what transpires this morning, please feel free to ask.

This morning we will pick back up on our 2021 theme of “Into the Future” as we continue to look at us as Christians and how we can adapt some Bible principles and be more productive and fruitful in the future. Today we will continue looking at the different attributes of the Fruit of the Spirit. Today we are looking at the aspect of Longsuffering. It is a word that has a couple of meanings within the New Testament! I pray that you will be encouraged and use something from this sermon to help you and others gain Heaven.

This evening we will continue looking at the book of John as we take a step back to John chapter 4 looking at what Jesus said about the fields being ready for harvest in verses 35 through 38 and we see that “The Lord Needs You!”

Wednesday, Lord willing, we will continue with our Summer Series as Brian Smith will speak to us about the topic :What to do When I Desire to Grow.” I am looking forward to hearing Brian as he is such a wonderful example to us all!

It is going to be a great day because you are here to worship our God and we get to worship Him together!
