***A Minute
with Mac***

It has been another up and down busy week. We hurt for our brethren who have lost loved ones this week, in particular for Kathy Richie and Kim Crosslin. We also hurt for all of the brethren around the world who are suffering from this horrible virus and for those who are in danger of death for their faith in God. However, we are excited about the arrival of Jake and Meredith Whitehead as Jake will be laboring beside me here for the congregation at Shiloh. I am excited to get to know Jake better and am confident he will continue to have success with our youth as have been in the past! Please try your best over the next couple of weeks to introduce yourself to them and get to know them better.

This morning we will continue to look at our yearly theme "Into the Future." As we have been on this journey to see how we as Christians can improve and move forward in the future, we will continue to look at the different aspects of the Fruit of the Spirit. This week we will be looking at the sometimes confusing aspect of Goodness. The world believes that goodness can be situational and that there is no absolute on what is really good. We will look to the Bible for our answer to what is truly good!

This afternoon we will continue looking at the book of John as we continue in chapter 5 as we think about what Jesus said about the Judgment!

Wednesday evening we will be continuing our Summer Series (not supper series as I typed last week). Our guest speaker will be Vance Hutton from the Double Springs congregation. This will be our last speaker for this year's summer series and I can't think of a better person to close us out!

It is going to be a great day! And I am so glad that we get to worship our God—together!
