A Minute with Mac

This past Sunday, I was able to pick the first of my ripe tomatoes off the vine. Our tomato vines are loaded with many tomatoes waiting to ripen. I have spoken to so many this year who are having really good production from their gardens. God has really blessed us this year as He does daily. God has blessed us with also with your presence! If you are visiting with us, please know that you are our honored guest and if you have any questions about what transpires this morning, please feel free to ask.

This morning we will pick back up on our 2021 theme. As we continue with our theme, we shift our focus from the family to the individual Christian and see how we can be more fruitful in the future. Over the next several week, Wes and I will explore the different attributes of the Fruit of the Spirit. This morning, however, before we can grow the Fruit of the Spirit, we must make sure that we are “cultivating our garden” the correct way! I pray that all of us will be able to take something away from this lesson as we all try to grow closer to our God!

This evening we will be continuing our look at the book of John. Tonight we continue to look at John chapter 4. Tonight we will be looking at the idea of “Putting Down our Water Pots!”

This morning, during our Bible Class time in the auditorium, we will continuing our study in the book of Acts as we will pick back up on Acts chapter 9 and verse 20.

This Wednesday night we will continue our annual Summer Series! Our overall theme is “What to do when...” Wednesday night’s guest speaker will be our own Ronnie Ray! Brother Ronnie’s topic is “What to do when my faith is weak.” Please make plans to attend and bring a friend!

It is going to be a great day because you are here and we get to worship our God—together!
