***A Minute  
with Mac***

Here it is that today is the day that we, as a country, celebrate our independence from the rule of Great Britain. The United States celebrates their birth as a free country each year on this day. Today the USA has been a free and independent country for 245 years! It is because of that freedom that we are able to assemble here today without fear of persecution. If you are visiting with us, please know that you are our honored guest and if you have any questions about what transpires this morning, please feel free to ask.

This morning as we begin our third quarter of the year, we will be taking a break from our 2021 theme. Since our minds are already on the freedoms that we enjoy in this great country of ours, I want us to think about the freedoms we enjoy in Christ. Therefore the title for our sermon this week is simply "Freedom in Christ." I pray that all of us will be able to take something away from this lesson as we all try to grow closer to our God!

This evening we will be continuing our look at the book of John. Tonight we begin a series of sermons from John chapter 4. Tonight we will be looking at the context of the entire chapter as we think about the idea of "A soul winner for Jesus!"

This morning, during our Bible Class time in the auditorium, we will continue our study in the book of Acts as we will be looking at Acts chapter 9.

This Wednesday night we will be kicking off our annual Summer Series! Our overall theme is "What to do when..." Wednesday night's guest speaker will be Dr. Jim Martin! Dr. Martin's topic is "What to do when I realize I am getting older." Please make plans to attend and bring a friend!

It is going to be a great day because you are here and we get to worship our God—together!
