Why Your Family Needs to Be in Worship
Jerry Jenkins

It is important for family to worship together. The God who created each and ordained marriage and the family knew the importance of families worshipping together. To a woman who had miserably failed in her family life, Jesus said, **“But the hour cometh, and now is, when the true worshipers shall worship the Father in spirit and truth: for the Father seeketh such to worship Him”** (John 4:25).

The Father does not need our worship to be a better being or a better father. One cannot improve on perfection, but the Father knew the need for each of us to worship. The old adage, “A family that prays together stays together,” is true. One just does not find those in the divorce courts that are truly committed and serving God.

Families should worship for three major reasons: (1) God commanded it (Heb. 10:25); (2) for the influence that we exert on one another; and (3) it will enhance our spiritual life (Rom. 12:1-2).

No family can be completely balanced when there is a major spoke left out of their wheel. Families are to grow physically, intellectually, socially, and spiritually. The family that does not worship is missing at least a quarter of this designed growth.

What is a major blessing each can offer their family? Here is a simple, yet life-changing answer: Begin this week to worship God by taking your family to every worship service!

A Minute
with Mac

What another great week. We are in the peak of vacation season and we have many who have been or are traveling. We pray for everyone's safety as they travel to their destinations and can't wait until we are all back together under the same roof. If you are visiting with us today, I want you to know that you are honored guest and that if you have any questions about what is done or what is said, please don't hesitate to ask.

This morning, we will continue with our yearly theme of Think Souls! So far we have looked at individuals that we need to imitate, however, this morning we are going to look at one follower of Christ that had some bad traits that we need not to imitate. The catchy title of the sermon is "Don't Do as Didymus Do!" Of course, we are going to be discussing the Apostle Thomas and things that he did that we need not to do!

This evening, we will look at the book of 2 Peter and discuss about the topic of "Growing in Christ." We will look at the Basis of spiritual growth, the Bidding for spiritual growth and the Blessings of spiritual growth. I want to encourage all to be back this evening as we look at the topic.

Don't forget about our opportunities for studying God's Word during the week. Each Wednesday morning we have a Bible Study here at the building that is for all ages beginning at 10 a.m. Then we have our mid-week devotional and Bible Study each Wednesday evening at 6:30 p.m. This week will be our monthly singing night. As always, if you are leading a song, please wait until you are in front of the microphone to announce your number and give the guys in the PowerPoint room a minute to pull your song up before you begin.

Thanks so much for being here—it's going to be a great day!
