***A Minute  
with Mac***

What a great week we had last week. This past Sunday was Father's Day! We enjoyed many visitors last Sunday! It is our prayer that many of those who were visiting plan on attending here (or another faithful congregation) on a regular basis! If you are visiting with us, please know that you are our honored guest and if you have any questions about what transpires this morning, please feel free to ask.

This morning we will finish up our second quarter of our yearly theme "into the future" by looking at our friends and seeing "The Importance of Christian Friends." It is my prayer that this sermon does not negate the need to friend those who are in the world, but that it encourages us to make sure that we also surround ourselves with those Christian influences that will help us get to heaven. I pray that all of us will be able to take something away from this lesson as we all try to grow closer to our God!

This evening we will be continuing our look at the book of John. Tonight we ask the ever important question "Where lies the Authority." Our main text will be coming from John chapter 3 and verses 22-36. As we did last week, we will only be looking at two main points from the text!

This morning, during our Bible Class time in the auditorium, we will continue our study in the book of Acts as we will be looking at Acts chapter 8. We left off last week at verse 26 and this week we will be looking at the ever important conversion of the Ethiopian Eunuch. We have classes for all ages and I encourage you to find a class that best fits you. For those in the auditorium class, I encourage you to read ahead and prepare your comments and questions. As we have seen on Wednesday nights, I may not be able to answer all of your questions, but I will do the best I can!

It is going to be a great day because you are here and we get to worship our God—together!
