Guidelines to resume in person services at the Shiloh Church of Christ

The following guidelines regarding resuming in person services at the Shiloh Church of Christ building beginning June 7, 2020 are from the Eldership of the Shiloh Church of Christ.

We ask that those who do not feel comfortable in resuming in person meeting to remain home and Worship with us online. If you are sick or running a fever, please remain home and Worship with us via the internet.

We ask that all attendees follow the guidelines given by the State with regards to social distancing. We urge those who are not of the same household to maintain six (6) feet of distance between persons.

Every other pew will be blocked off with pews being staggered on the opposite side of the aisle. Please use social distancing between families of at least six (6) feet.

Services will be held at 10 a.m. on Sundays only until otherwise stated from the Eldership. We will not have any Bible Classes or evening services on Sunday and our Wednesday Bible Study will remain as live stream only at 6:30 on Facebook and YouTube.

Only the front doors will be unlocked and propped open for entrance to the building. Again, please maintain social distancing as you enter the building. Please go directly into the auditorium and be seated and do not linger around to socialize in the building. We are aware that one of the best parts of being a member at Shiloh is all of the wonderful fellowship we have for one another, however for the time being, we will have to sacrifice for the physical safety of all.

Mask are not required, however are strongly encouraged, especially during the song service. If you do not have a mask and want one, please let one of the Ushers know and they will get you one. We ask that you do not put your mask on until you reach the awning at the front door.

We will provide an overflow room in the fellowship hall if we reach capacity.

Due to sanitation issues we will not have songbooks, member cards, nor visitor cards in the pews. We will be singing using the PowerPoint slides only.

After the closing prayer, please remain seated and in your pew. The Ushers will dismiss each side by rows as to help maintain the social distancing guidelines.

Thank you – The Eldership of the Shiloh Church of Christ. Effective May 27, 2020.

"Notes in the Key of A"

The last few weeks have been very surreal. They have been challenging. They have also been encouraging. I know as we battle this virus all across the world, the threat is real.

Today is a day that we have been looking forward to for many weeks. It is such a blessing to be back at worship in person. We are thankful you have made the decision to be here this morning. Please continue to pray for our country, each other, the church and the Elders. There are still many things that remain uncertain, but God is certainly in control

Have a great week for God!
I love you,
Wes

A Minute with Mac

What a great day it is to be here and to be able to worship God along side our brethren. Although we are still practicing social distancing, we are still here, together! We are mindful of those who are unable to be here this morning, but are able to join us over the internet for our live feed. Please be mindful of the Eldership's guidelines that they have set for us this morning and for the foreseeable future. We are grateful for them and their leadership through this difficult time.

This morning we will take a break from our FOCUS 2020 theme as we look at a topic that we can all relate. We will be discussing the topic "What is Missing?" There is something that many of us have missed recently, something everyone has missed and something that we do not want anyone to miss. We will look at all three of these this morning. We will resume with our yearly theme, Lord willing, next week.

Due to not having in-person Bible Classes, later this afternoon, there will be a pre-recorded bible class uploaded to our Facebook page. We will looking at Psalm chapter 4. Please leave any comments or questions that you may have and we will discuss them on during the next bible study. Also be on the look out for Wes' weekly teen bible study also. You can also find it on his YouTube channel.

Please join us live each Wednesday night at 6:30 as Wes and I have our mid-week bible study on our Facebook page also. This will be live streamed and encourage you to comment and ask questions. Lord willing we will continue to answer questions that have been submitted for our bible study. If you have questions that you would like us to answer, please text them to us. We need your questions!

Please continue to pray for one another and check on one another. Pray for our country as we are facing a time of disarray. Continue to pray for our Eldership as they shepherd us through this difficult time! Love you all and stay safe!
