A Minute with Mac

The ground continues to be saturated with water from all the rain we continue get each and every week. However I am thankful that the flooding has stopped and that even though we are still getting rain that it isn't a major threat right now. I am so glad that you chose to be here at Shiloh today! If you are visiting with us today and are looking for a church home, we would love for you to consider Shiloh. A lot of great things continue to happen here at Shiloh!

This morning we will be continuing our yearly theme of Focus 2020. This morning we be looking at teachers and the importance it is to have faithful men and women teaching Bible Classes each and every week. Tonight we will be continuing to build a defense on why we believe like we do as we make "The case for Baptism." I hope you can be with us for both services.

In the auditorium class we will be starting our look at the last chapter of James, chapter 5. I am looking for your input on what to teach after James. The two books I would like to teach are either the book of Acts, or the book of Job. Please let me know which one of these interest you the most!

Don't forget about our Wednesday morning Bible Study at 10 a.m. Consider this an extra study as we have some that come for both the morning and evening Bible Study. Our CHAT session continues each Wednesday from 11—1 at Curtis' Restaurant. Wes and I would love to have you come and join us for some good food and even better fellowship!

Keep on keeping on and please invite all you know. Be sure to check out the church's Facebook page each week along with our private Shiloh COC group on Facebook as we post often things our members need to know. Don't forget to check our website for the bulletin and sermon outline. Remember, Welcome to Shiloh—Welcome Home!
