## ***A Minute with Mac***

What a great week we had last week during our Gospel Meeting with Brother Vance Hutton. Brother Hutton delivered timely and simple sermons that everyone could understand. If you were unable to attend or listen to the sermons when they were posted to YouTube and Facebook, you can always go back and listen to them at your leisure.

I am looking forward to this morning as we have another guess speaker. Brother Keith Mosher is one of the instructors at the Memphis School of Preaching, and as long as you don't tell him, I would say hands down my favorite instructor. Brother Mosher is one of the kindness and loving men that I have ever met. He cares about his students, not only while they are at MSOP, but also after they graduate. Brother Mosher will be speaking to us today on the idea of whether or not we will recognize each other in heaven/afterlife.

During the Bible Class time, we will begin our verse by verse look at the book of Acts. Remember we are going to look at the majority of the book of Acts with our Theophilus glasses.

This evening we will continue our look at one of the false teachings going through the religious world with regards to what is going to happen during the end of times. Remember a couple of weeks ago we looked at the tenants of Premillennialism. Tonight, Lord willing, we will allow the Bible to defeat this falsehood.

What a great day it is going to be and I am encouraged by your presence today! If you are visiting with us, please know that you are our honored guest and if you have any questions about what transpires this morning, please feel free to ask.
