## Community Spread

### Mckinley Pate

The word “community spread” has been brought up a lot with regards to the recent coronavirus outbreak. When we first heard of the COVID-19 outbreak, the question was could there be a community spread, in other words, could the virus be spread throughout entire communities. We now know that the answer is yes. When we think of the phrase “community spread” and the virus itself, then that phrase is very bad.

However, when we look at that phrase and Christianity, then it is a wonderful phrase. We need more “community spreading” of the gospel! It worked in the 1st century, and it will work again in the 21st century. Let’s examine a few passages.

Remember the woman at the well in John chapter 4. How did the Samaritan people learn about Jesus? **“The woman then left her waterpot, went her way into the city, and said to the men, “Come, see a Man who told me all things that I ever did. Could this be the Christ?”** John 4:28-29. It was because of this woman going into her own community and spreading the news about Jesus. And was what was the response? **“ Then they went out of the city and came to Him,”** John 4:30. **“And many of the Samaritans of that city believed in Him because of the word of the woman who testified, “He told me all that I ever did.” So when the Samaritans had come to Him, they urged Him to stay with them; and He stayed there two days. And many more believed because of His own word,”** John 4:39-41.

What about when persecution came upon the 1st century Church? **“Therefore those who were scattered went everywhere preaching the word,”** Acts 8:4. The epidemy of community spread.

Can you imagine what will happen right here in the Greenhill community if we began to practice “Community Spreading” of the Gospel! Let’s try it and see!

## *A Minute with Mac*

I am so glad that you chose to be here at Shiloh today! If you are visiting with us today and are looking for a church home, we would love for you to consider Shiloh. A lot of great things continue to happen here at Shiloh!

We are in uncharted territory at this time in our world. The coronavirus pandemic is causing massive disruption to our daily lives. The one constant is the Almighty God! Please continue to turn to Him and meditate on His Word.

Remember He is listening and through His providential care, we will get through this.

This morning Wes will be bringing our sermon to us during the Worship Hour. Remember we will not be having our regularly scheduled Bible Classes at 9:00 a.m. However, we will have our worship service at 10 a.m. We urge you, if you are sick or in a vulnerable state, please stay home. We do not want to discourage you from worshipping with you brethren, however, we do not want to make others sick nor get you sick. We are in the process of making our services available to be streamed over the internet.

Lord willing, this coming Wednesday evening Wes and I will have another bible study streamed live at 6:30 on our Facebook page. Please go to our Facebook page, like it and set your

Wes and I are suspending our CHAT sessions at Curtis' Restaurant for the foreseeable future. We will pick it back up, Lord willing, as soon as this pandemic passes us by.

Be sure to check out the church's Facebook page each week along with our private Shiloh COC group on Facebook as we post often things our members need to know. Don't forget to check our website for the bulletin and sermon outline. Remember, Welcome to Shiloh—Welcome Home!
