**Introducing A Personal Evangelism Seminar**

**Written by Rob L. Whitacre**

Are you ready for an evangelism boot camp? There was a time in our not so distant past when these types of seminars were being held all over our nation. Christians carried film strips (Jule Miller) in the back of their trunks and went house to house teaching anyone who would listen the Gospel of Christ. Now most of our training is inwardly focused and are geared towards keeping the saved, saved. Success is seen in how many sister congregations attend our events and rarely on how many non-Christians attend. A few years ago, a brother called and invited us to come do this seminar. He said, “Brother Rob, we have not had an evangelism seminar in central Texas in over 20 years.” We are at a crisis stage for churches of Christ in America, but it is not too late.

What is a personal evangelism seminar? It is an effort to train the saved to teach the lost. We will spend time equipping Christians with a soul winning strategy. We will relay stories of real people who are coming to know their Savior and provide you the simple principles used to get them into a Bible study and help them obey the Gospel. We will spend time with elders and preachers and help them develop a winning strategy for the local congregation.

What can you do? First, please attend every session as each builds upon the other. Second, come ready to learn with Bible in hand, and ready to take notes. This is not just a lecture. It will be both principle and practice. Third, please be praying about souls to save. Since this focuses on training Christians how to reach the lost, it is not recommended that you invite your non-Christian friends and family. After being trained, you will have plenty of opportunity and a working method to reach them.

This seminar is having a great affect upon congregations. Hundreds of souls have been saved in just the past year, and if we all work together, and follow the Great Evangelist (Jesus), many more souls will be saved. The Lord is depending upon you for this evangelistic effort to be successful. The Gospel is not a passive process. It is an active process that will work when we are willing to work it. Below is a schedule of topics. I will be willing to answer any of your questions and materials will be available to help equip you with all the tools needed.

**Sunday**

9:00 AM – Let’s Get Motivated: This session will relay several personal accounts of conversions. It has worked and is still working.

10:00 AM – Let’s Stay with The Message: This session focuses on the power of the Word. We must put the Bible back into Personal Bible studies!

5:00 AM – Let’s Talk About the Manner: How do you get into a Bible Study? We will look at Jesus and how our Master Evangelist was able to develop such a large following.

**Monday**

6:30 PM - Let's Not Argue About the Method: It’s time to introduce, "Back to the Bible" and demonstrate how to use it along with charts from my PE workbook

**Tuesday**

6:30 PM – Let’s Apply the Model: In this session we discuss difficult situations and take your questions. How does this work in my world?

**Wednesday**

6:30 PM - Let’s Make the Application: Rob sits down with the men and provides practical suggestions on how to implement this program and train church members.

6:30 PM – Ten Ingredients for Evangelism: In this special ladies’ session, Nicole will provide practical suggestions on how to apply what you have learned (ladies only).

## *A Minute with Mac*

It has been a beautiful week this week with regards to the weather. Spring is getting closer, but as we know here in Alabama that the weather can change at any point. Our Gospel Meeting/Evangelism Seminar is just a week away. I hope and pray that you have already made preparations to be here for every single service. If you are visiting with us, please know that you are our honored guest and please stick around for a few minutes after services so that we can get to know you better. If you have any questions about what is done or said in our worship service, please don't hesitate to ask.

This morning, we will continue our yearly theme of "Think Souls" as we continue with our first quarter idea of "thinking souls like Jesus." Today we will look at the topic of "Sacrificing like Jesus." We have to realize that Jesus sacrificed a lot for us and the absolute least we can do is to make certain sacrifices for Him.

This evening, Lord willing, we will look at topic that I have not preached on in a while and that is the topic of "grace." We will explore the idea a "God's grace for man." I hope you will make every effort to be here so that we can dive into the scriptures and see what that grace really is.

Wednesday evening, will be picking back up on our study in the book of Matthew. We will begin looking at Matthew chapter 5 and verse 27. We will go as far as we can, so go ahead and finishing studying all of chapter 5, although we will probably not finish the entire chapter Wednesday, it will still benefit you to study ahead!

It is going to be a great day! And I am so glad that we get to worship our God—together!
