***A Minute
with Mac***

So many things are happening today. Today is the day that we honor our graduates! There are tables set up in the fellowship hall for all of our graduates if you would like to drop off a card or gift for them. Tonight we will have our graduation banquet! Thanks to Wes for all of his hard work in organizing this event for our high school seniors! Also tonight we start back our in person worship service!!! What a great day it is going to be and I am encouraged by your presence today! If you are visiting with us, please know that you are our honored guest and if you have any questions about what transpires this morning, please feel free to ask.

Today we will continue with our 2nd quarter for our theme of 2021—Into the Future. As we are looking during this quarter at the family unit, today the title of the sermon will be “Strengthening the family through communication.” It is my prayer this sermon will help better prepare our family units in the future!

During the Bible Class time, in the auditorium we will continue our look at the book of Acts. Remember we are going to look at the majority of the book of Acts with our Theophilus glasses. Today we will continue looking at chapter 4. Please feel free to make comments or ask questions as we go through this study! Remember teachers to make sure you get a count for daily Bible readers and for those who study for their lesson.

This evening Wes will be bringing our sermon to us as we resume our in person service. We will continue to live stream our Sunday Evening service as we do all of our other services for those unable to attend, however it is our prayer that you will be here this evening to support Wes as we know that he will do an outstanding job conveying God’s Word to us as he always does!
