“Notes in the Key of A”

Good Morning and Welcome!
Thank you for being here with us this morning!

We have a lot in the community who are dealing with this virus, whether they actually have it or are having to quarantine because they were in close contact with someone who has it. Please remember to pray for them everyday!

We continue to publish weekly content.
Be sure you are checking it out!

Thank you for working! Thank you for loving!
Thank you for growing!

Encourage someone this week!

I love you,
Wes

Announcement:

If you plan on coming to the building at non-worship times, the Elders ask that you wear a mask if you enter the building during these times. This would include those who come to the building during non-worship times to work in classrooms, to visit the office, and those who wish to talk to Wes and Mckinley. This is for everyone’s protection due to there being no way to social distance in offices.

Sunday Night Service:

The Elders would like your input on our at home Sunday night services. At this time, Wes is putting three different classes for three different age groups on YouTube and Mckinley is doing a recorded Psalms class. Now that we are back to in person meetings on Wednesday night the question and answer has been placed on hold. Would you like to move the question and answer to a live stream service on Sunday night at 5 p.m. or keep it like it currently is. Please let Mckinley and Wes know which you would prefer today. You may text them or tell them in person. Thanks

A Minute with Mac

What a great week we have had. May of our number who have been affected by this horrible virus are doing much better. There are still some who have a long road ahead of them and continue to need our prayers. Reach out to those who are still recovering and see if there is anything that you can do for them. Many are too weak to cook supper and could use a hot meal dropped off on their porch. Continue to do look after those in need, that is one of the many things that makes Shiloh so great! We are blessed to have you here today and are looking forward to worshipping God with you this morning!

This morning we will continue looking at the churches of Asia found in the book of Revelation. Today we will look at the church in Pergamum or Pergamos (depending on which translation you are using). Remember as we venture through these different churches, I would like for each one of us to look at them closely and then ask ourselves if we would "fit in" with the rest of the members at these congregations.

Wednesday we will be continuing our look at the book of Job. Plan on reading chapters 6 and 7 this week as we will look at Job's response to Eliphaz's accusations and how Job is needing to get his feelings out and his need for them to just listen. We want to have your input on this class. Bible classes that have a lot of interaction and discussion really help others, including myself, learn. So don't be afraid to speak up with a comment or to ask a question!

Remember to check out our Facebook and Youtube page each Sunday as we continue to upload content for the young and old alike to help you make it through another week. Thanks to Wes for all he does each week and remember to give all the Glory to God!
