***A Minute
with Mac***

Rain—Rain, go away! At least that is what many of us were saying at the first of the week. But it has turned off to be a pretty good week anyway. I hope you had a great week and have enjoyed your weekend, thus far. Hopefully you didn't yell at the t.v. too much yesterday as many of you were watching football. Some are tired this morning after a long day watching football and some being in Prattville yesterday with the Rogers band competition. But I am glad that you all were not too tired from your weekend to be here. If you are visiting with us, please know that you are our honored guest and please stick around for a few minutes after services so that we can get to know you better. If you have any questions about what is done or said in our worship service, please don't hesitate to ask.

This morning we will be continuing to look at how we can continue to grow "into the future" as we take a step back and look at some basic Bible principles that hopefully we can pass along to others as we will be "Piecing together Bible Truth!"

This evening this evening we will continue looking at John chapter 6 as we look at Jesus being "the Bread of Life." Just as we have been doing, Lord willing, we will make an observation of the text and then look at the application the text can have in our lives!

Wednesday evening we will be looking at Old Testament Overview, Period #10! This study is quickly coming to a close, so if you have any ideas on something that you would like to study when we finish up, please let me know!

It is going to be a great day! And I am so glad that we get to worship our God—together!
