***A Minute
with Mac***

What a beautiful week it has been. The Lord has blessed us more than we will ever deserve. Speaking of blessings, we are extremely blessed this morning with your presence. There are many other things that you could have chosen to do this morning, but you chose to be here to worship God and encourage your brethren and I truly thank you for that! If you are visiting with us, please know that you are our honored guest and please stick around for a few minutes after services so that we can get to know you better. If you have any questions about what is done or said in our worship service, please don't hesitate to ask.

This morning we will be continuing to look at how we can continue to grow "into the future" as we look inwardly to our selves and see if we need to be "Changing our Habits." It is easy to get stuck in a habit that is not pleasing to God and it very hard to break that habit. Lord willing we will look and see how we can break bad habits and replace them with good ones. It is my prayer that this sermon benefits you as much as it has me this week.

This evening this evening we will be looking at the last few verses in John chapter 6. In these verses we see that many of those who were following Jesus decided to leave Him. Jesus looked at His closest friends and ask a question that we will deal with this evening when He asked "Do you also want to go away?" I hope in this lesson we will see how Satan wants us to get discouraged and walk away from the Lord and what we can do to prevent it.

Wednesday evening we will be continuing our look at Old Testament Overview, Period #10! This study is quickly coming to a close, so if you have any ideas on something that you would like to study when we finish up, please let me know!

It is going to be a great day! And I am so glad that we get to worship our God—together!
