***A Minute
with Mac***

The day that I have been anticipating now for a few weeks has arrived. David Hargett is here this morning to talk to us about the single biggest change in this generation and that is social media. Brother Hargett will bring all three lessons to us today about this timely and much needed subject. Social media, if used right can be a wonderful tool for the Lord, however, the way it is being used, it has become a victory march for Satan. This past week, my family watched “the Social Dilemma,” on Netflix as it deals with the idea of how social media controls so much of our lives and thoughts. I hope all of us will focus on what brother Hargett has to say and that it will be beneficial to all of us. Remember we will have a 1:00 p.m. service today and there will be no 5:00 p.m. service this evening.

Next week Jake will be bringing our morning lesson to us. I am looking forward to hearing Jake speak again. He and Meredith are doing a wonderful job with our youth and we are so blessed that they are laboring with us at Shiloh.

Next Sunday night will be our 5th Sunday service. Typically we have our 5th Sunday service at 1 p.m., however, next Sunday we will meet at our normal time of 5 p.m. Our young men will be conducting our service that evening. I always look forward in hearing our young men lead singing, offer public prayers, read scripture and bring lessons from God’s Holy Word. Jake has been working with our young men and has them prepared to conduct our worship service.

Next Wednesday night we will continue our study in the Old Testament Overview. This week we will start looking at Period # 11. Handouts were on the table last week for Period #11. If you did not receive one they will be back on the table this Wednesday night or you can go to our website and download one there.

Thanks for being here! It’s going to be a great day!
