***A Minute
with Mac***

We have had some wonderful fall weather this week. It has been a rough week for many with sickness and death of loved ones. Please remember all in your prayers and reach out and see if there is anything that you can do to help or encourage those who are struggling at this time. I am glad that you are here this morning. Even if you are struggling, you have made the decision to be here and you are to be commended for that. If you are visiting with us, please know that you are our honored guest and please stick around for a few minutes after services so that we can get to know you better. If you have any questions about what is done or said in our worship service, please don't hesitate to ask.

This morning Jake will be bringing our sermon to us. It is always a blessing to hear Jake speak. Please give Jake your undivided attention this morning and let him know how grateful we are to have him and Meredith working along side us here at Shiloh.

This evening this evening we will have our young men conducting the majority of our service. Because of the current pandemic, it has been a while since our young men have conducted a Sunday evening service. Please make plans to be here and support our young men as they continue to live for the Lord in a difficult time. We are so blessed to have so many young people here at Shiloh and are grateful for their courage to live for the Lord.

Wednesday evening we will begin looking at Period #11 of our Old Testament Overview! This study is quickly coming to a close, so if you have any ideas on something that you would like to study when we finish up, please let me know!

It is going to be a great day! And I am so glad that we get to worship our God—together!
